01 WHERE WE STARTED

What we built it around.

01

Facts over noise.

Your own Knowledge Hub heading. Option 1 sets it in giant cream letters along the foot of the page, your carton, mailer and vials standing on it at night.

02

Operated by people who understand laboratory discipline, labeling, handling.

From your homepage. Option 2 gives the vial, the carton and the mailer a ruled cell each on one warm sheet, captioned from what's printed on them.

03

Research peptides, shipped fast from a real U.S. company.

Your own homepage headline. Option 3 shoots your blue carton and vial huge in pale studio light, the line on the open wall beside them.

02 WHAT YOU GET

Pay for the website. Get the whole launch.

01	**The website** A new store on your real products and strengths: homepage, shop pages, product pages and cart, built out from the top you've just seen. Live on your domain within a week of saying go.	$2,500
02	**A launch promo** A short animated video made from your own photos and words, sized for Instagram, Facebook and anywhere else you post.	$140
03	**A launch email** Designed and written for your customer list, so the people who already order from you hear about the new site from you.	$350
04	**A launch ad set** Twelve launch graphics for your own channels (email, socials, site banners), each sized for feeds and stories, with moving versions of the best four.	$350
05	**A phone receptionist, first month** From Hire Whoever, our sister company: a voice assistant that answers a store phone line for you, so customers who'd rather call still get an answer, and every call becomes a short written record you can read after.	$105
06	**30 days of changes** Text or email us what to change. It's live the next business day.	$35

PLUS, WHEN YOU SAY GO BEFORE 6 NOVEMBER 2026

BONUS	**Launch email setup** We set up the launch email in your store and line it up for your customer list, ready to go out on launch day.	$180

TOTAL VALUE	YOU PAY	THE ONE-WEEK PROMISE
~~$3,660~~	$2,500	If the site isn't live within a week of go, your first three months of changes are free.

ALL PRICES IN US DOLLARS. EACH VALUE IS OUR OWN PRICE FOR THAT PIECE ON ITS OWN.

06 QUESTIONS

The usual questions.

01

Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02

Is it secure?

Yes. It's built lean, with no page builder or extra plugins, and tested on a copy before anything goes live. Your checkout and payments stay exactly as they are.

03

Who owns it?

You do. The design and every file sit in your store, in your name. Hosting, domain and checkout stay with you; nothing of ours renews unless you ask.

04

How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from $250 a month, cancel anytime.

05

When do I pay?

Half ($1,250) when you say go, the rest ($1,250) when the site is live. You've seen the homepage before paying anything.
